EPA's Rules on Compensatory Mitigation for Impact on Wetlands, Streams and Other Waters

U.S. EPA Wetlands Conference - ASCE Wetlands 2011

Presented by
Robert M. Andersen, Akerman Senterfitt

Edward Cole, Akerman Senterfitt

Mike DeRuyter, HDR, Inc.

Do you represent users or providers of wetland mitigation? If so, then you need to know what the 'New' Rule requires, how the rule is being implemented, and what changes and issues are on the horizon. In 90 minutes, you will learn about the 'nuts-and-bolts' of the 'New' Rule while also engaging in a discussion of practical consideration and issues facing both providers and users of wetland mitigation.

Learning Objectives:

- You will be able to describe mitigation hierarchy.
- You will be able to discuss the watershed approach.
- You will be able to explain adherence to the 'new' rule.
- You will be able to review interagency tension.
